Let's Talk AI (Artificial Intelligence)

Friday November 22nd 1:00 pm – 2:00 pm ET

Moderated by Hewie Poplock

This discussion group for beginners and intermediate users of AI focuses on practical applications of AI-powered tools. Attendees share their experiences to gain a better understanding of how to leverage these tools in their work and personal lives. Discussions cover topics such as chatbots and image to graphics helping each other stay up-to-date with the latest developments in the field. Overall, this group provides a welcoming environment for individuals to network and explore the exciting world of AI.
